Washoe County Library

EXPLORER

A Welcome from
Library Director Jeff Scott

June-August 2022

In libraries across the country, summer means one thing: the Summer Reading Challenge! This year, dive in to explore the *Oceans of Possibilities* available to you and your family through reading and library resources. Everyone is welcome to participate, and kids and teens will earn free books for signing up and completing the challenge.

As part of our commitment to provide welcoming spaces, the Sparks Library is the latest branch to undergo renovation. The Sparks Library reopened in April and is open seven days a week. We invite you to visit and rediscover this midcentury gem. Stay tuned for news about other renovations, new services for homebound readers, and a coming expansion of our Library To Go book kiosks.

You will notice even more events filling the pages of this edition of the Washoe County Library Explorer. Library staff have been hard at work bringing back your favorite regular activities and creating exciting new programs. Registration is no longer required for many events, so drop in and see what's going on at your favorite library! Registration is still required for our popular Story Times and events in The Quad.

To be sure you have the latest information on library services and events, sign up for our weekly email newsletter and follow us on social media. You can find more information at www.washoecountylibrary.us.
